Addendum 001
Request for Quotations
"Aluminum Box Culvert"
RFQ D8X2-7003
Issue Date: August 3, 2006

Bidders shall acknowledge receipt of Addendum 001 (one) by **signing and including with the original bid**. The due date for receipt of bids remains unchanged by this Addendum.

Several questions submitted by vendors have had the accumulated effect of requiring an amendment to ensure the information is made available to all interested vendors. It has been determined that bonding will not be required for this quotation. As a result, the pages titled: ANTI-COLLUSION STATEMENT, SIGNATURE AND IDENTITY OF BIDDER, & (Aluminum Box Culvert) BID BOND are not required to be returned with quotation.

The receipt date for quotations is unchanged. Quotations are to be received on or before 1 p.m., local time, August 15, 2006.

The change is believed to be in the interest of all potential bidders. All other terms and conditions remain unchanged and in full force.
